**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose to use competitive fiber internet and telephone service due to their independence from any global media company. I refuse to be steamrolled by giant media corporations. Broadband internet access is critical to maintaining an informed and educated outlook on the world today, and any act that artificially reduces public access to competitive broadband service by thumbing the scales in favor of mass media conglomerates is anti-Capitalist, anti-consumer oligarchy.
